

Industrial Hemp Act 2004

Western Australia

LICENCE TO CULTIVATE AND HARVEST AND PROCESS INDUSTRIAL HEMP

Licensee:	Hemp Resources Ltd (ACN 089 434 346)
Persons concerned in the management or conduct of the licensee:	
Principle Place of Business:	842 Beaufort Street, Inglewood WA 6052
Period of Licence:	Three years commencing on the day the licence is issued.
Authorised activities:	The storage, cultivation, harvesting and processing of industrial hemp seed and industrial hemp.
Premises where authorised activities are to be carried out:	Lots 4157 and 26595 Crimp Road Doodenanning WA.

This licence is issued under and subject to the *Industrial Hemp Act 2004* (the Act) and is also subject to the conditions listed below. Failure to meet any of these conditions may result in the suspension or cancellation of the Licence.

Terms used in this licence have the meanings given by the Act.

Conditions

1. The licensee must ensure that all seed and other plant material held or cultivated under the licence is kept secure and that all necessary and reasonable measures are taken to prevent access to it by any person other than persons authorised by the licensee.
2. Industrial hemp must only be cultivated in an area the perimeters of which are fenced to an approved standard.
3. The licensee must immediately inform the Registrar and a Police Officer if any plant material covered by this licence is found to contain more than 0.35% of tetrahydrocannabinol.
4. The licensee must notify the Registrar within one week of a crop of industrial hemp being planted.
